

What is a “3-B Student”?

Here at WPS we love to catch our students making good choices.

We have many ways in which we do this. As a school we have “Soaring Eagle Tickets” which recognize all of our students over the course of the year for their choices in the cafeteria and at recess.

There are also many wonderful things going on in classrooms to reward kids for good choices.

In an effort to provide an authentic opportunity to honor the students who always make good choices, the PBIS team would like to introduce the “3-B Student”. The purpose of the “3-B Student” is to recognize one child from each classroom who is a leader and role model for the rest of the school because of their efforts to be safe, respectful, and responsible.

Each classroom will have a “3-B Student” pin. At the end of each week, one student from each class will be given the “3-B Student” pin to wear for the day to reward them for their efforts. In addition to wearing the pin, the student’s name will be on display outside their classroom door for the following week. They will also receive a smaller recognition to take home announcing their title of “3-B Student” to their parents and families.

We are excited to begin this recognition for the select students in our school who are always making good choices and setting great examples for the other students. Keep an eye out for more information about our 3-B Students here at WPS!
